

The Fig Leaf Store

University United Methodist Church

25th and Guadalupe,
Austin, Texas

The Fig Leaf provides used and new clothing to homeless and underprivileged people. We welcome volunteers to work in the store from all walks of life in the community.

The store is open Saturday mornings and serves about 100 men, women and children every week.

First opened in 1995 to provide job interview clothing for guests staying at the church through the Interfaith Hospitality Network, the store quickly expanded to serve clients referred by social service agencies and half-way houses. Today, Fig Leaf serves mainly self-referred people. Many of them stay for Saturday lunch served at the church.
